About us

Transcar is UAE's leading specialist, in providing customized, end to end solutions for re-exporting of automobiles. It means at transcar we Procure, Stock, Reexport and Ship tax-free vehicles globally at very competitive prices.

We are committed to deliver customized automotive solutions to our valued customers. Transcar offers to customers a 'one-stop' re-export experience, from purchase and fitments to financial, logistics, cargo and clearing services

With this vision now becoming true Transcar has flourished and has become one of the largest automobile exporters in the UAE, selling over 10,000 vehicles a year.

Mission & Vision

To Revolutionize the global automotive export business by going where others cannot go and bridge gaps in international markets of all size.

To Provide all possible solutions and services under one roof for import and export of vehicles.

Constantly improve through innovations and training to provide high-quality products and services.

To shape the future of automobiles export trading and become the most trusted partner by setting new industry leading standards.

Our Values

Customer Focus

We Understand our customers and their needs, and we put them first and above all. we deliver the highest standards of customer satisfaction.

Quality

We cosistently thrive to provide genuine, quality products, services, and solutions.

Integrity

We treat the business and every one of our associates and customers with the utmost honesty, respect, and moral standards regardless of religion, gender or nationality.

Our Expertise

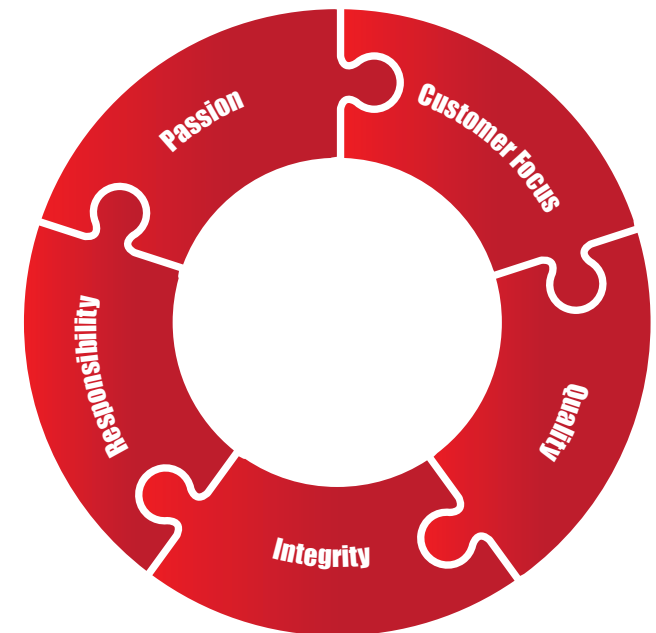

We have over 200 automobile partners across 100+ countries which enable us to leverage any type of vehicle import or export trading opportunity.

Each imported and exported vehicle is individually checked by our in-house team of experts. We also undertake or arrange country-specific inspections by outside agencies.

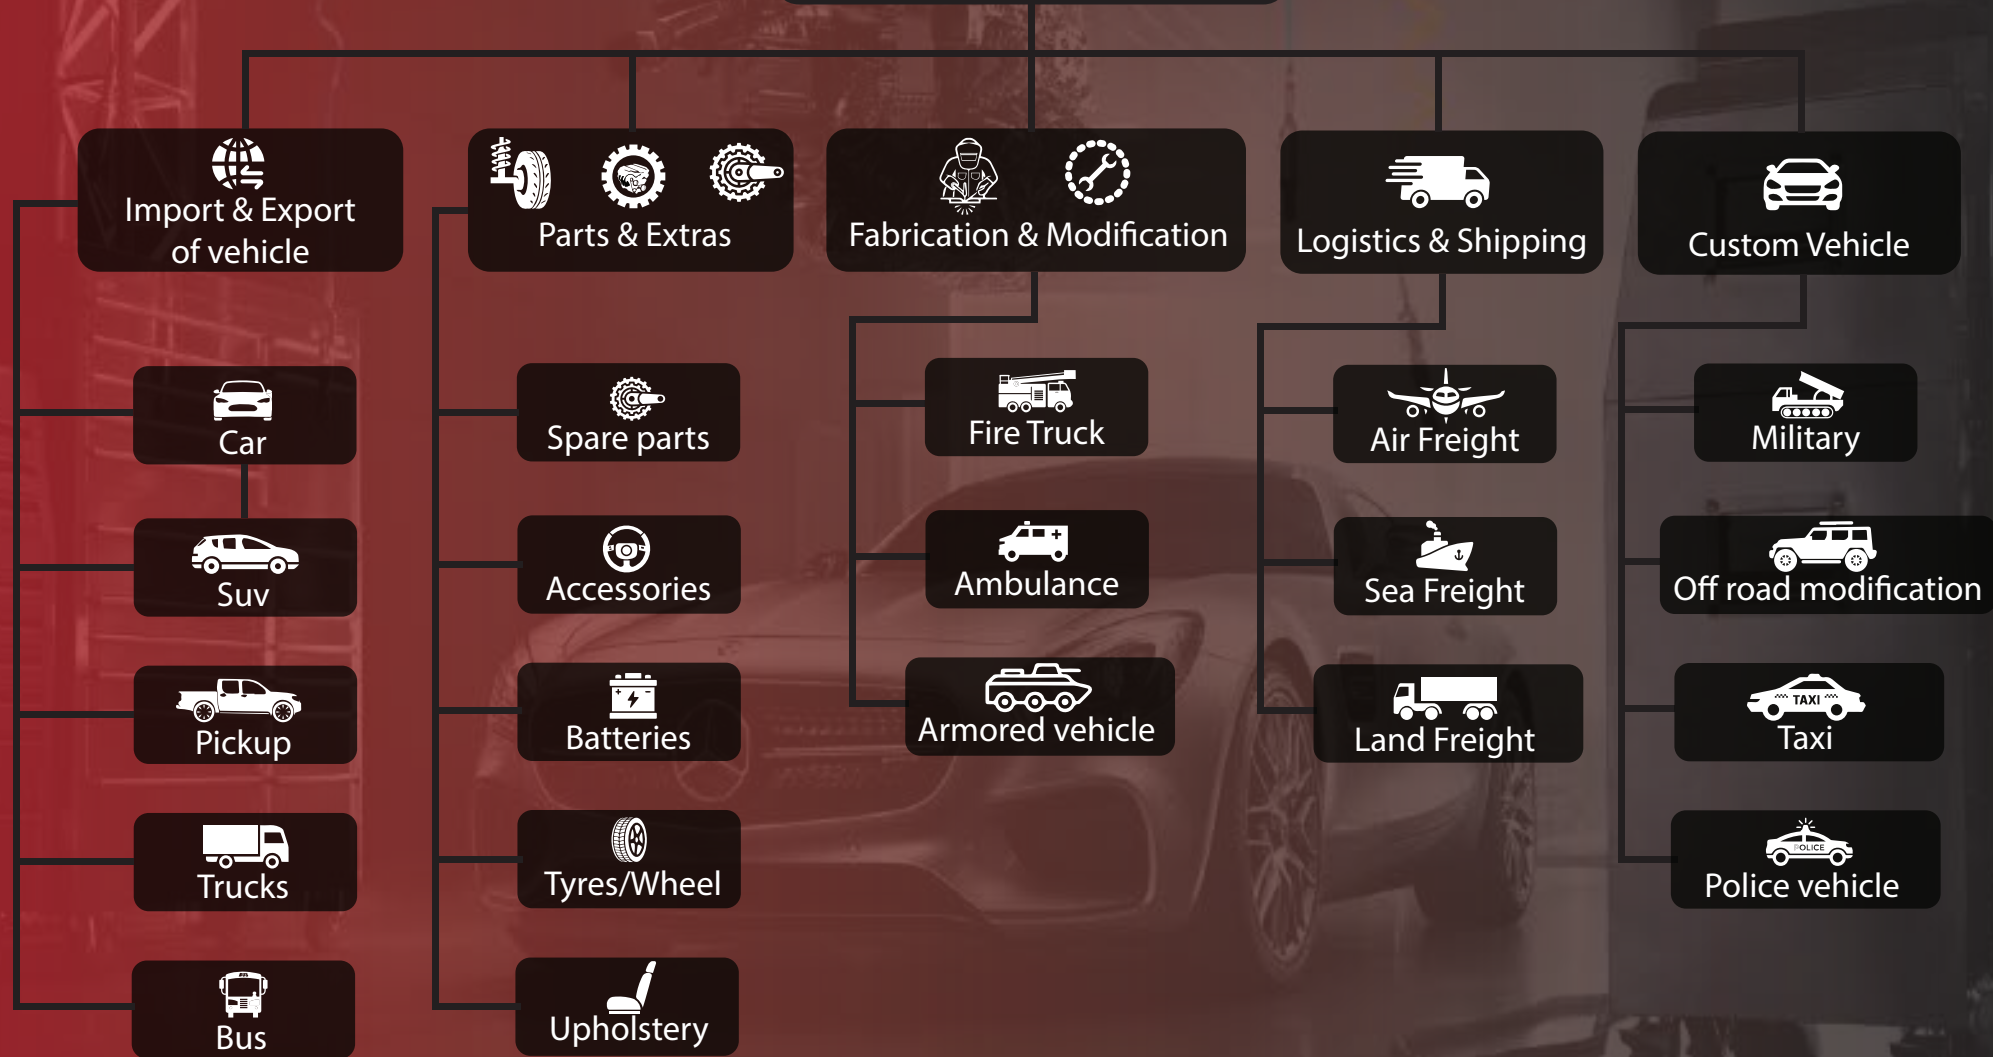

In house dedicated "Logistics Wing" of ours takes care of import or export of vehicles very professionally and at a reasonable cost.

In addition to our car export, and Logistics Wing Transcar also has dedicated Modifications Team. They cater conversions of the vehicles in compliance with the country-specific regulations.

Team experts are well versed in procurement, supply and fitment of genuine "Auto Spare Parts and Accessories" and they ensure to offer swift supply and delivery to customers.
